Looking for a post as Game, Level or Narrative Design

I have been working in the Video Game industry for more than six years now, first as a programmer, then a level scripter and mission designer at Ubisoft Bordeaux, and a level designer at Game Atelier. I have skills in **game, level & mission design**. I'm also trained on several engines, including **Unity, Unreal Engine 5** or **Anvil**.

Experience

UE5 Teacher at Ynov - Bordeaux

September 2020 - March 2023
twice a week, for **Master's Degree Game Design** classes

Level Designer at Game Atelier

July 2021 - March 2023
on an unannounced 3D game project.

Tasks : Designing game areas
Researches on game mechanics and environments

Mission Designer at Ubisoft - Bordeaux

October 2020 - April 2021
on **Assassin's Creed - Valhalla**, **Wrath of the Druids**, the first DLC of a AA RPG based on the Assassin's Creed licence.

Tasks : Designing and integrating six missions

Level Scripter & Mission Designer at Ubisoft - Bordeaux

July 2018 - January 2020
on **Ghost Recon - Breakpoint**, a multiplayer AAA open-world TPS based on the Tom Clancy licence.

Tasks : creating & integrating scripted events
designing & integrating two missions
release & episode 2

Programmer Blueprint & C++ at Stream-On Studio

July 2016 - July 2018
on **Space Hulk - Deathwing**, a multiplayer FPS based on Games Workshop's Warhammer 40k licence.

Tasks : scripting & bug-fixing
release & enhanced edition

Studies and Diplomas

Master Game Design & Management

2011-2016 - **Supinfogame Rubika**
